KAM ATHLETES WILL HOLD TRY-OUTS FOR PUNAHOU MEET TODAY

Field Events On Program But Sprints Will Come Up for Settlement Friday.

Out at Kamehameha Schools this afternoon the athletes will pull off some field events for the purpose of getting the best men for the team which is to tackle Punahou in a dual meet on February 26.

The events to be pulled off will be the hammer throw, shot put and broad jump, and also the mile run. The husky lads with the "beef" have been turning out regularly these past two weeks practicing with the weights. H. Brandt, J. Paulus, Kalaheini and H. Burgess are among the new recruits who have been seen in action lately. Interest in track athletics at the school is keen just now, and the boys expect to make a good showing.

George Benjamin, the star long-distance runner at the institution, had his final physical examination two days ago and proved sound enough to join the ranks of his team-mates again after his long illness. In the tryouts today he will meet Jones for the first time in a run, and much interest is shown among the students as to the outcome. J. Ames is another lad that has improved a great deal this year, and as he made Jones to come in the last cross-country run, it is believed that he may spring a surprise on both Benjamin and Jones.

Next Friday the remainder of the track and field events will be pulled off, and it is hoped by that time the track on the new athletic field will be in readiness for use. George Manohi, the star sprinter of the school, will not be able to take part in either of the dual meets, but will be ready for action in the final championship meet March 16, and the Kams are confident that he can hold his own against W. Morgan of Punahou and B. Parkes of the High in the sprints. Captain Godfrey of the track team, who has also been laid up at the school hospital, may not take part in the tryouts to be held next week, but it is hoped that he will be back for the final contest.

The athletes are out in force every evening, and some promising material is being developed. Among them W. Napahua and M. Lewalo, two new candidates for the sprints. The latter is making good progress in such cases.

NO WORD YET FROM DUKE AND GENOVES

"I have had no word from the Honolulu swimmers yet," said John F. Soper, chairman of the committee that financed the Eastern trip of Kahana-moku and Genoves, this morning. "The fact is that I don't expect news until the boys get to Pittsburgh, and possibly not until they have actually competed. Both Duke and Genoves are entered at Pittsburgh. Duke in the 220 and Genoves in the 500-yard swim. We are hoping that they'll get there in time, but there is always the chance of missing connection crossing the continent and we're none too sure."

ALL YOU NEED IS A CASCARET TONIGHT

No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels by morning.

Turn the rascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep. A 10-cent box with any drug store means a clear head and cheerfulness for months. Children love to take Cascarets because they taste good—never gripe or sicken.

Congressman Martin B. Madden of Illinois in an address before the Hamilton club at Chicago said that if the United States is ever to go to war with Japan, the conflict will come before the opening of the Panama Canal.

Hearing of the divorce suit brought by May E. Choat against Lafayette Choat, who was sent to jail because he drove his wife about the fields hitched to a narrow, began at Independence, Mo., recently.

Joseph Roberts, the West Indian negro convicted recently of the murder of Isaac Vogel, a jewelry salesman, was sentenced to die in the electric chair during the week beginning March 11.
